

**Call for Participation:**  
**International PYTHA User Meeting 2022**

Dear PYTHA user,

We cordially invite you to the PYTHA user meeting 2022!

Date: **Friday, September 9, 2022, 9:00 am**

Place: **Casino Alisch, Berliner Allee 9, 63739 Aschaffenburg, Germany**

In the plenary talk we will present the current state of development of PYTHA. The courses will provide a wealth of information on modeling, visualization and the PYTHA workshop and will give you the chance to share your opinions with the PYTHA developers.

Don't miss out on the opportunity to meet old friends, to extend your PYTHA network and exchange ideas with other PYTHA users!

We will host a great gala party with a special highlight in the evening!

The attendance fee for the one-day event is:

Users without service agreement	€ 195
Users with service agreement (*)	€ 150
Students/teachers	€ 50

(\*) This only applies to customers who have a direct service agreement with PYTHA Lab.

The registration deadline is **July 15<sup>th</sup>, 2022**. To register, please go to <https://events.pytha.de/>. Registrations can only be accepted through the online tool. The maximum number of registrants is 180. Users with service agreement will have priority.

We have reserved a contingent of rooms in the two hotels for our customers. Please mention the keyword "Pytha Lab GmbH" when making your reservation!

- Ibis Styles, Elisenstraße 21, 63739 Aschaffenburg
